

"A society will be judged on the basis of how it treats its weakest members; and among the most vulnerable are surely the unborn and the dying "

St. Pope John Paul II May 25, 2000 Address to the new ambassador of New Zealand to the Holy See.

"[W]e are facing an enormous and dramatic clash between good and evil, death and life, the "culture of death" and the "culture of life". St. Pope John Paul II *Evangelium Vitae*, 28

"We find ourselves not only faced with, but necessarily in the midst of this conflict: we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life." St. John Paul II, *Evangelium Vitae* 28

Mother Teresa's favorite scripture tells it all "Truly I tell you, whatever you did for one of the least of these brothers of mine, you did for me" *Matthew 25:40, 45*, (NIV). Oct 31, 2014

Speaking on March 4th, 2017 in Madison, Wisconsin, at a conference entitled "From Suffering to Hope"

Our Mission

is to give hope where there is no hope by bringing the love and mercy of Jesus to those who battle for their right to life at its end.

Our Vision

is for others to learn about and discern a role in establishing homes for the sick and terminally ill where the sanctity of every human life is respected and protected, whether it be in their own home or a personal care home like Loreto on the Plains.

Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour.

1 Peter 5:8

Like the lion roaring in scripture, there is a monster roaring in the world and that monster is the Culture of Death. That is why God is calling people and asking them to search their hearts to find out what they can do and where they fit in. We are all called into this battle for life.

Why do we need “Homes of Life Across America”?

Euthanasia, Assisted Suicide, Abortion

Euthanasia: taking of the life of another to relieve suffering.

MURDER

Stealth Euthanasia: What is it? The taking of another’s life to relieve suffering **but** nobody has been asked or informed about this action.

MURDER

Assisted Suicide: A physician has found ‘reasonable cause’ to allow the person to take a lethal drug or “cocktail” and die at a time chosen by them.

MURDER

Abortion: the taking of the life of the unborn

MURDER

How does that effect me? This practice is being brought into the everyday conversation of even Christian homes and talked about among the young. Life is cheap and is getting cheaper as the words of Mother Teresa and those of Archbishop Fulton J. Sheen have both said. Archbishop Sheen said that all respect for life left when the bombs were dropped on Hiroshima and Nagasaki. She said, “The fruit of abortion is Nuclear War. Life has no value. This sounds so harsh, but the truth is often hard to face. Let us live today in the light and love of God bringing his message of truth and Mercy to all.

New Pathways of Care

**HOME AND FAMILY MEANS THE
DIFFERENCE BETWEEN LIFE AND
DEATH.**

A *New Pathway for Care* is being created to protect the vulnerable elderly, sick and terminally ill in our nation today. The families of those who are sick and terminally ill are not always able to care for them at home. The only choice may be to place them in a nursing home, assisted living, or even hospice. This is where we come in.

**“Where there is Despair in life;
let me bring Hope.”**

Homes of Life Across America

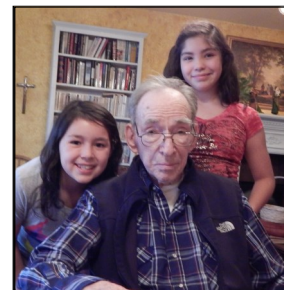

is reaching out to communities, neighborhoods, prayer groups, parishes and people like **YOU all over America**. Sometimes we say that is a wonderful outreach but never think that we ourselves may be called to be the ones to do the reaching out. We say, **“That is impossible! “ but the story of Loreto found in “The Miracle of Loreto” reminds us, that “with God all things are possible.” Matt.19:26**

How Can I do this?

Invite people to your home and invite our team for a Discovery Session where we can answer all the questions you might have concerning this New Initiative. We are also available to present workshops and seminars.

Hope where there is No Hope.”**

Who can Sponsor a “Home of Life”?

- ◆ The best of these homes are set in the neighborhood in which a person lives. First, there is usually someone at home, people know each other and lastly, the elderly spouse travels less or in heavy traffic to visit their loved one.
- ◆ These homes are faith-based
- ◆ Believe in life from conception to natural death.
- ◆ The words of **The Prayer of St. Francis** speak clearly of faith and trust in God at the heart of the mission.
- ◆ Anyone who has a home with extra bedrooms, Prayer Groups, rosary Groups, Come Lord Jesus Groups, Divine Mercy Cenacle Groups and many others can sponsor a Home.
- ◆ You can use your own home, remodel a home or build one like Loreto on the Plains PCH.
- ◆ You will have the opportunity to realize that the more you give the more you receive.
- ◆ You will learn what it means to hold Jesus in your arms as the person you are caring for goes home to the Lord.
