Loreto on the Plains Personal Care Home is an outreach of Holy Family Ministry Center a non-profit 501c3 tax exempt organization and is neither owned nor operated by the Roman Catholic Diocese of Amarillo.

This is a mission of love, not a job for profit. If we look to profit and making money we are in the wrong field. This work is about Care Giving with love as the driving force, which takes us past the long hours, the back aches, the failures and all the times we don't think we can do it anymore. Jesus has to be our strength and our stronghold.

These people need the hope that we can bring them: That there is always hope in Christ whether it is time to go "home" or to stay here and complete the work he has given us here on earth.

The symbol above reminds us of the fact that we must constantly take assessment of our heart and be sure that the vision is still beating in our own heart.

***"As I have done this for you,
so you should also do"***

John 13:15

*Are You Being Called
to serve?*

***"Whatever you did for one of
these least brothers of mine,
you did for me."***

Matt. 25:40

Is God calling You?

How would you respond to such a call?
Would you react like Zachariah
or like Mary?

Zachariah said with doubt, "but how can this be for I am old and my wife, too, is old and past her time." God silenced him for 9 months until he

saw his son and named him "John".

Mary asked, too, but with faith knowing that God could do it, she was just curious as to how. The Angel then told her how it would happen. And when Elizabeth saw her she responded "Blessed is she

who trusted that the Lord's word to her would be fulfilled."

When we are called by God He doesn't look at our age, but at our faith and trust in His Almighty hand to fulfill the promise that he has made. Many times along the road we have to continue to seek His Way.

This is part of the Journey of faith which brings a vision to completion. God works with us and along the way He purifies and brings us to the humility that allows us to trust as Mary trusted.

The Vision Reaches Out

The Vision for Loreto came to us with a commission: *"Go out into the world, teach them of My love and mercy, invite them to answer the Call to reach out to those who are vulnerable and weak creating for them a safe place. Be a beacon of His mercy to the world so that others, too, may protect the elderly, the sick and those near death."*
